Students who add courses after August 15, will be charged the \$15.00 registration fee.

Doctoral Continuation—Students registered for Doctoral Continuation in the spring will be registered for the fall unless they graduate in May or August. Students whose departments require permission need to obtain an override for Doctoral Continuation and process it in Student Services.

Special Students—Graduate students including those using teaching vouchers who are not currently in a Boston College degree program and who want to take graduate level courses must apply as special students to the appropriate graduate school.

Graduate students using LSOE teaching vouchers should see Patricia O’Kane in the Graduate Admissions Office, Campion 103.

Advising—Returning Undergraduates

Your advisor’s name is available on Agora (Option 3: *View Academic Advisor*). If you cannot locate your advisor, contact him/her by e-mail to arrange an appointment. Faculty e-mail addresses are listed on-line under *Directories* on *BCInfo*.

CSOM students should reference <http://www.bc.edu/schools/csom/academics/undergraduate/academics/> before registering.

Advisor Changes—Undergraduate

Students who want to request a change of advisor may obtain the forms in the following locations:

A&S	Gasson 109
CSOM	Fulton 360
CSON	Cushing 202
LSOE	Campion 106

Closed and Restricted Courses

Courses that are restricted by school, degree, or major are marked with an asterisk (*), and the specific restrictions are printed underneath. Students who want an override into a closed or restricted course should go to the department offering the course. The department will decline the request, add the course to your schedule, or give you an override to be processed in the Office of Student Services.

The override form must be stamped in the appropriate section: *Open/Restricted* overrides school, major, degree, and department restrictions; *Override for a Closed Course* overrides all restrictions and size limits for closed courses; *Approval for Time Conflict* overrides a corequisite or allows you to be registered for two courses that conflict in time.

You cannot process overrides through *U-Dial* or *U-View Plus*.

Course Schedule Information

- You can search the listing of BC’s course offerings as follows:
- *U-View Plus*
 - *Agora—Schedule of Courses*
 - Course Locator link on the Student Services home page (<http://www.bc.edu/studentservices>)
 - Courses link on the Academic Services page (<http://www.bc.edu/courses>)

You may also download a PDF version of the current *Schedule of Courses* from the Student Services home page.

Degree Audits—Undergraduates

Degree Audits are computer-generated analyses that match the courses you have taken with the requirements for your degree program or for an anticipated program. Student Services provides students with degree audits either by mail or through their advisor prior to each registration.

You can also request a degree audit or a simulated degree audit (shows requirements for different majors and minors) from Agora and download it to your computer or e-mail it to your account.

Review your audit carefully in consultation with your advisor before you register.

If a course on your degree audit is not being counted correctly because of a system error, contact your Academic Recorder (A&S: Mary McCrosson, CSOM and CSON: Theresa Rezzuti, and LSOE: Kristen Siddell). If you want a course to count for a requirement that it does not usually fulfill, obtain a *Degree Audit Course Substitution and Waiver* form from the Office of Student Services, and take it to the department for approval. Return the form with the appropriate stamp to Student Services for processing.

Overloading

Students who have earned in a full course load at least a 3.0 overall average or a 3.0 average in the semester immediately prior to the one for which the overload is sought may register for a sixth course.

Students should register on-line for the sixth course during the first week of class and must notify the Associate Dean by the sixth week of classes whether they wish to drop the course.

Students whose averages are between 2.0 and 3.0 may, under exceptional circumstances, be allowed by an Associate Dean to enroll in a sixth course. Students are not permitted to take a sixth course in their first semester at Boston College.

A&S, CSOM, and CSON students who maintain a 3.0 GPA may add a sixth course on-line (up to 20 credits) during the first week of classes.

Withdrawing from a Course or from the University

The last day to withdraw from a spring course with a “W” or to withdraw from the University is April 26, 2005.

Students will not be permitted to drop courses during the last two weeks of classes or during the exam period. Students are still registered at this point and will receive a final grade for the course. To withdraw from a course or from the University, see your Dean.

Woods College of Advancing Studies (WCAS)

WCAS designates a limited number of courses that are available to full-time undergraduate day students. All full-time undergraduate students are limited to one WCAS course each semester. Freshmen may not enroll in any WCAS courses.

WCAS courses can be used to fulfill elective requirements. Students must check with the appropriate department if they intend to use a WCAS course to fulfill a Core or major requirement.

For the fall semester, students can sign-up for WCAS courses beginning at 8:00 a.m. on the day of their registration appointment time. There are a limited number of seats in each course, and they are distributed on a first-come, first-served basis. Check with the WCAS office, McGuinn 100, on the first day of classes in September to see if additional seats are available.

General Information

Audits

Undergraduate

Undergraduate students may not audit a course with the exception of undergraduates in WCAS.

Graduate

Students in GSA&S and CGSON may register for an audit on-line. CGSOM, GSSW, Law School, and LSOE students must consult the Associate Dean’s Office before they can audit a course. WGCAS students may not audit courses.

After September 14, graduate students who wish to change a course from credit to audit or audit to credit must go to the Associate Dean’s Office and complete a Graduate Course Exception form. Students in the Carroll School of Management may change a course from credit to audit but not audit to credit.

If you drop an audit before September 14, you will receive 100% refund. You may not drop an audit after September 14. There is no cancellation of tuition for a course changed from credit to audit.

Credit Variation

If you need to change the number of credits for a course, pick up a Graduate Credit Variation form from the Office of Student Services. Have the form approved by the Associate Dean’s Office and return it to Lyons Hall by September 14. After September 14, bring the form to the Office of Student Services and pay for the additional credits.

Cross Registration

Boston Theological Institute

Students who want to cross register through the Boston Theological Institute (BTI) should pick up a cross-registration petition in Lyons Hall and return it with an authorization by the appropriate date. Students are expected to consult with their advisor or department chairperson before cross registering. Graduate Theology majors may take up to half of their courses through BTI.

The following colleges and universities participate in the BTI cross-registration program.

- Andover Newton School of Theology
- Boston University School of Theology
- Episcopal Divinity School
- Gordon-Conwell School of Theology
- Harvard Divinity School
- Holy Cross College (Greek Theology School)
- St. John’s Seminary
- Weston School of Theology

The Consortium

Under a program of cross registration, sophomores, juniors, and seniors may take one elective course during each semester at Boston University, Brandeis University, Hebrew College, Hellenic College, Pine Manor College, Regis College, or Tufts University if a similar course is not available at Boston College. Cross registration forms are available in the Office of Student Services in Lyons Hall.

Graduate students, except Law students, may cross register for one course each semester at Boston University, Brandeis, and Tufts. M.B.A. students are not permitted to register at Brandeis University, and students in the Graduate Finance Program are not allowed to cross register at any of the universities. Cross registration materials are available in Lyons Hall.

Law School students may cross register for classes only at Boston University Law School and only if the course they wish to take at BU will not be offered at any time during the current academic year. Students wishing to cross register must see the Director of Academic Services for permission.

The Graduate Consortium in Women’s Studies at Radcliffe is an inter-institutional enterprise established to advance the field of women’s studies and enlarge the scope of graduate education through new models of team teaching and interdisciplinary study. Faculty and students are drawn from six member schools: Boston College, Brandeis, Harvard, Northeastern, MIT, and Tufts. Graduate students enrolled in degree programs at Boston College may, with the permission of their department, apply to Radcliffe to participate in the program. Registration forms will be mailed to accepted students.

Graduate School of Social Work

Under a program of cross registration, juniors and seniors matriculated in the B.S.W. Program at Regis College and Sociology and Psychology majors at Stonehill College may take selected courses in the Graduate School of Social Work. For more information, see the Assistant Dean for Academic and Student Services in the Graduate School of Social Work.

Dropping, Adding, or Changing a Major

Students who want to drop, add, or change a Biology, English, Mathematics, Romance Languages and Literatures, Sociology, or Theater major or an Environmental Studies minor, must see the department chairperson. Juniors and seniors who want to declare a Communication major must also see the department chairperson. For all other majors, go to Lyons Hall, Room 101.

E-Mail

Student Services uses e-mail as their preferred means of contacting students.

E-mail accounts are automatically created for all full-time undergraduates and all graduate students. To view your e-mail address, log on to Agora at <http://agora.bc.edu>. You will need your username and password to access your account. Select *U-View* from the pull down menu and click on E-Mail Address. Your e-mail address will be displayed. From this screen you may also forward your BC account to another e-mail account.

All notifications from the Office of Student Services are sent to your BC account.

Graduation Information

Diploma Names

January 26 was the deadline for May 2005 graduates to confirm their diploma name on-line. If you are graduating in May and have not confirmed your diploma name, see your Academic Recorder (listed below). The deadline for all August graduates to confirm on-line is August 12.

To confirm your diploma name select View/Edit Diploma Name from your Agora services menu. Your name will appear as it is listed on the University's student system.

Graduation Dates

Boston College has three graduation dates—December 30, August 30, and May (date varies yearly). If you believe that you have completed all of your degree requirements as of the end of the previous semester and should have graduated, contact your Academic Recorder (listed below).

- A&S: Mary McCrosson, 617-552-4974
- CSOM, CSON, CGSON, Law, WCAS, WGCAS: Theresa Rezzuti, 617-552-4984
- CGSOM, GSA&S, GSSW, LSOE: Kristen Siddell, 617-552-4979

Immunization Requirement

Both graduate and undergraduate students registering at the credit levels listed below are required to comply with Massachusetts General Laws (the College Immunization Law):

College of Arts and Sciences	9 credits
Woods College of Advancing Studies	12 credits
Lynch School of Education	9 credits
Law School	12 credits
Carroll School of Management	9 credits
Connell School of Nursing	9 credits
School of Social Work	9 credits

The College Immunization Law requires proof of the following immunizations:

- 1 Tetanus-Diphtheria Booster: Within the past ten years
- 2 Measles Immunizations: Dose 1 must be after the first birthday and dose 2 must be at least one month after the first dose
- 1 Mumps Immunization: Immunized with vaccine after the first birthday
- 1 Rubella Immunization: Immunized with vaccine after the first birthday
- Meningitis immunization or submission of waiver form (new requirement for students entering after August 2005)

If proof of immunization for measles, mumps, and/or rubella is not available, a blood Titer showing immunity will be accepted.

Failure to show proof of immunizations within 30 days from the start of classes will result in a block on your registration and an administrative fee of \$50.00 will be charged to your student account.

The only exceptions permitted are conflicts with personal religious belief or documentation by a physician that immunizations should not be given due to pre-existing medical problems.

Internal Transfer

Matriculated students wishing to transfer from one undergraduate college to another within Boston College should contact the Associate Dean’s Office of the school to which admission is sought. Students may apply at the end of their freshman year.

Students applying for internal transfer will ordinarily be expected to have a cumulative average of at least 3.0 with no deficiencies. All students must complete at least 3 (4 in CSON and LSOE) semesters of full-time study after the transfer. Previous enrollment will not satisfy this requirement.

Applications are normally submitted to the Associate Dean by the last class day of the previous semester.

Loan Certification

The National Student Clearinghouse will process deferment forms for fall 2005 after September 14 in accordance with Federal regulations. If you need an enrollment certification for deferment of a student loan, mail the forms to the following address: Office of Student Services, Lyons Hall, Chestnut Hill, MA 02467 or stop by Lyons 101. Your deferment form will be forwarded to the National Student Clearinghouse. If the enrollment certification does not require an official school seal or signature, you may process the certification on-line at <http://agora.bc.edu>.

Graduate Full-Time Enrollment Status

- Graduate full-time enrollment is as follows:
- Carroll Graduate School of Management 9 or more credits
 - Connell Graduate School of Nursing 9 or more credits
 - Graduate School of Arts and Sciences 9 or more credits
 - Graduate School of Social Work 9 or more credits
 - Law School 12 or more credits
 - Lynch School of Education 9 or more credits
 - Woods College of Advancing Studies 12 credits

Students completing degree requirements in their final semester may be given exceptions to the school minimum credit standard for full-time status by their academic dean.

All students are considered half-time with 6 credits. The credit amounts listed are used to determine a student’s enrollment status for loan deferments, immunizations, medical insurance requirements, and verifications requested by other organizations.

All enrolled doctoral students in the Graduate School of Arts and Sciences and in the Carroll Graduate School of Management are considered full-time. Graduate students, excluding Graduate School of Social Work and Law School students, registered for less than a full-time course load may be considered full-time if they are Graduate Assistants for academic departments, Teaching Fellows, or Research Assistants. Graduate students are considered full-time if they are enrolled in a full-time Student Teaching Practica or Internship. Graduate students registered for Interim Study, Thesis Direction, Doctoral Comprehensives, Qualifying Exam (School of Social Work), or Doctoral Continuation are considered full-time.

Courses also flagged as full-time are BI 801, EC 900, EC 901, ED 950, ED 951, ED 988, HS 997, LL 856, NU 901, NU 902, PY 941, SW 929, SW 939, SW 949, SW 995, SW 996, and SW 997.

Mailing Address Update

Undergraduate and graduate students can change their local, home, or parents' addresses and telephone numbers on-line at <http://agora.bc.edu>. Select *U-View-Your Personal Records* on your Agora account and make any changes. Keeping your addresses up-to-date will ensure that you receive important mailings from the University such as financial aid awards, graduation clearance requirements, and campus parking updates. The University will also be able to contact you in case of emergencies.

Pass/Fail Electives—Undergraduate

Sophomores, juniors, and seniors may enroll in a non-major or non-Core course on a pass/fail basis anytime during the registration period. Pass/fail choices cannot be made subsequent to the drop/add period.

No more than one pass/fail course may be taken in any semester. No student may take more than six pass/fail courses for credit toward a degree.

Any language courses taken before the language proficiency requirement is fulfilled may not be taken on a pass/fail basis.

No student may take CSOM or WCAS courses on a pass/fail basis. No CSOM student may take an A&S requirement (including Core or CSOM curriculum requirements) pass/fail.

Pass/Fail Electives—Graduate

Field Education in GSSW is graded on a pass/fail basis. A pass/fail option is available for a limited number of other courses when approved by the Associate Dean’s Office. A “P” has no effect on the GPA, but if the student fails the course, the “F” is calculated into the GPA. CGSON students enroll in NU 901 and NU 902 on a pass/fail basis. Students in the Law School may not take courses pass/fail unless the entire course has been designated a pass/fail course. IREPM students should contact the Institute of Religious Education and Pastoral Ministry. Students in CGSOM, GSA&S, LSOE, and WGCAS may not take courses counting toward the degree pass/fail.

Confidentiality of Student Records

Certain personally identifiable information from a student’s education record, designated by Boston College as directory information, may be released without the student's prior consent. This information includes name; term, home, local, and electronic mail addresses; telephone listing; date and place of birth; photograph; major field of study; enrollment status; grade level; participation in officially recognized activities and sports; weight and height of members of athletic teams; dates of attendance; school/college of enrollment; anticipated date of graduation; degrees and awards received; the most recent previous educational agency or institution attended; and other similar information.

Electronic access to selected directory information is available to both the Boston College community and the general public. A student who so wishes has the right to prevent the release of all directory information including verification of enrollment or to suppress selected directory information. In order to do so, students must enter privacy preferences in Agora, Boston College’s secured intranet environment (<http://agora.bc.edu/>). This must be done by the end of the first week of enrollment. Suppression is available by selecting *U-View* and *Privacy Preferences*. TH 496.01 The Moral Dimension of the Christian Life (Summer: 2)

This course provides a foundational and systematic overview of the basic components of Catholic moral theology. The content of the course is an exposition and analysis of topics traditionally treated under the heading of fundamental moral theology, moral character, moral freedom and its limits, the relationship of spirituality and morality, sin and conversion, conscience, the use of scripture in moral reasoning, natural law, the teaching authority of the church in moral matters, the development of moral norms, discernment and moral decision-making.

Kenneth Himes, OFM

TH 644.01 Foundations of Theology (Summer: 2)

This course will introduce students to fundamental issues and themes in the practice of Christian theology. We will begin with an historical consideration of how theology has been shaped by the social location in which it was practiced. This will lead us to examine our contemporary situation, in which theology is now being done in many different social contexts while employing a variety of methodologies. This course will also allow students to deepen their understanding of such central concepts as revelation, scripture, tradition, doctrine, the sense of the faithful and the role they play in the transmission and reception of the Christian faith.

Richard Gaillardetz

TH 706.01 The Understanding of God Today (Summer: 2)

This course will consist in lectures and discussions on the issue of God. It will relate the question of God to the alternative formulations of “the Open” (especially Plato and Buddhism), and “the Void” (especially Nietzsche). The major focus on God will be directed both to the mystical traditions of the incomprehensible God (especially Dionysius the Areopagite, and Karl Rahner) and to the hidden God (especially Martin Luther).

David Tracy

TH 761.01 Transformation & Holiness: Historical Resources for a Contemporary Spirituality (Summer: 2)

Christian spirituality throughout two millennia has produced an immense range of spiritual wisdom. All spiritual traditions are historically-conditioned yet certain texts and traditions become “classics” that are used and reinterpreted by people in every age. This course explores the relationship between spirituality and history and how we can interpret and use spiritual wisdom from another age as a basic for contemporary spirituality. The course studies four contrasting styles of spirituality from the Christian tradition: The monastic way, a spirituality of withdrawal, illustrated by teachings of the early desert fathers and mothers and the Rule of St. Benedict. The mystical way, the importance of the mystical-contemplative way, illustrated by the Showings of the 14th century woman mystic-theologian Julian of Norwich. The way of everyday action, a spirituality of service in the everyday world, illustrated by the Spiritual Exercises of Ignatius Loyola with its emphasis on desire, discernment and spiritual freedom. The way of social engagement, the link between spirituality and social transformation, illustrated by Francis and Clare of Assisi.

Philip Sheldrake

TH 816.01 Sharing Faith in Religious Education and Pastoral Ministry (Summer: 2)

This course will propose the foundations for a participatory and empowering approach to religious education and pastoral ministry. TH 826.01 Introduction to the Old Testament Summer (2 credits)

The class is intended to orient participants to key blocks of literature in the Hebrew Scriptures. We will consider their major theological emphases and learn something about the various historical contexts in which they were written. In-depth study of a variety of individual passages will complement the general overview and will illustrate methods that contemporary scholars use in interpreting the biblical text. At every point we will give attention to the place of the Old Testament in Christian faith and life. The course will emphasize class discussion and preparation of projects that relate the scriptures studied to the participants' present and future work in church settings.

TH 783.01 AND TH 784.01| Conference Week and Two-Week Course: Come and See: Nurturing Youth & Young Adults in Catholic Identity

(Summer: 1 or 2)

Helen Blier, Michael Carotta, and Guest Faculty

TH 783.01 Youth and Young Adult Ministry (Summer: 1) (Week One)

What does it mean to claim a sense of Catholic identity? How can we best nurture our young people into faithful adulthood? How can we sustain our own senses of self and vocation as we minister among youth and young adults? Gather with other professionals from across the country and nationally-known speakers to explore these questions and enhance your own work

with youth and young adults. Mornings will be spent drawing on the resources of experts in ministry and education; afternoons will be devoted to workshops for your own vocational renewal.

Helen Blier, Michael Carotta, and Guest Faculty

TH 784.01 Youth and Young Adult Ministry (Summer: 1) (Week Two)

Prerequisite: TH 783.01

How do we help young people form a sense of identity and meaningful place in the world, as informed by the wisdom of our tradition? How do we enable them to claim their vocation? Who are they called to be? The period of late adolescence and young adulthood, marked by deep questions and a hunger for significant relationships, is a uniquely rich time for exploring these issues. Using the lenses of development theory, pastoral ministry, and religious education, this course will invite youth workers to explore issues and resources that will inform this ministerial task to imagine strategies for their own work with young people.

Helen Blier

TH 480.01 Ecclesiology (Summer: 2)

The course provides an introductory survey of issues in the field of ecclesiology through a reading of classic texts in the field. The careful reading and discussion of these texts is central to the course. We begin with texts which, while not themselves specifically ecclesiological, become loci communes once the field developed. We then turn to the study of ecclesiology proper, i.e. ecclesiology as a field within systematic or doctrinal theology.

Michael J. Himes

TH 532.01 Basic Dimensions of Pastoral Care and Counseling (Summer: 2)

This course presents the dimension of faith as the distinguishing feature of pastoral care and counseling. It explores the importance of faith for the identity and role of the pastoral caregiver and for the therapeutic change that pastoral care and counseling can facilitate. In a context of human and religious development, this course outlines psychoanalytic, cognitive-behavioral, and humanistic approaches to pastoral counseling as a ministry of the church. It also considers a number of issues that surface in pastoral counseling: the therapeutic alliance, transference and counter-transference, ethics, boundaries, multicultural perspectives, differences among psychotherapy, pastoral counseling, and spiritual direction, and diagnosis and referral.

John Shea, OSA

TH 651.01 Preaching, Teaching from the Scriptures (Summer: 2)

This course aims to help preachers further develop a habitus of interpreting life through the Scriptures, and to enhance their ability to use contemporary biblical methods for their preaching. Participants will develop a greater facility for uncovering, appreciating, and engaging the multiplicity of meanings within a text by working with lectionary texts using a variety of biblical methods, including: historical and social science criticism, literary and narrative critical methods, rhetorical criticism, and liberation approaches, including feminist critical methods.

Barbara Reid

TH 669.01 Toward Forming an Adult Church (Summer: 2)

What would it mean to the life of our parishes and to our understanding of religious education if faith formation of adults became the central task of the enterprise? How does a focus on the spiritual growth of adults within a faith community enhance the work already underway with children and youth? In what ways does the challenge of adult faith formation invite us to engage the transformative task of all religious education? These questions serve to frame this course as we examine the theoretical and pastoral dimensions of working toward an adult church.

Jane Regan

Students may register for either week.

Many mystics and spiritual directors seem to speak of two major tasks and stages in the spiritual journey. Both Ron Rolheiser and Richard Rohr are convinced that many of our pastoral and ethical problems could be helped and advanced by clarifying this distinction, instead of merely repeating the

tasks of the first half of life over and over again. They will be drawing upon the Scriptures and Tradition, many other spiritual teachers, and their own experience to unpackage this wisdom. There will be two weeks and two teachers, and much time for dialogue about this issue on psychological, spiritual, and theological grounds.

**Session Three: July 25-August 5
Morning Courses 8:45 – 11:45 a.m.**

TH 435.01 Sacred and Liturgical Dance Study Program (Summer: 2)

This course explores the sacred place of the body in prayer and worship in contemporary experience. Its primary focus is study of the language of movement and dance as it relates to the dynamic movement of religious experience. Biblical stories and psalms will be used as well as the individual's prayer experience. Readings will include works on dance composition and movement improvisation, as well as contemporary studies of sacred and liturgical dance. No formal dance training is required but participants will be actively engaged in movement and dance studies, which relate to their experience of prayer and worship.

Robert VerEecke, S.J.

Liturgical Dance: Form and Content (non-credit workshop-afternoons)

This workshop offers participants the opportunity to learn dances that may be used in the context of liturgical worship. Processional dances, meditations, acclamation movements and dances for children will be studied in the appropriate liturgical context. Using a variety of musical forms we will create dances that may be used as part of ritual action. Simple principles of composition will also be taught.

In addition to the classes, participants will be invited to share their movement/prayer in some daily liturgies and one evening faculty conversation. The cost for the two-week program is approximately \$500, plus room and meals. The morning course and afternoon workshop may be taken separately but it is strongly recommended that participants register for morning and afternoon sessions. The summer dance program begins with a special orientation session on the Sunday evening before classes begin: consult the summer registration packet available after March 15.

TH 605.01 Theology and Pastoral Practice: Integrative Colloquium (Summer: 2)

The fine art of doing theology is dependent upon a “habit of vision.” It is connected to one's ability to bring together in both action and word the experience of contemplation, empathy, and reason. This integrative colloquium in pastoral ministry will provide a learning experience designed to strengthen the student's ability to draw upon the resources of the Christian tradition in their professional practice as ministers, social workers, educators, nurses, and clinical psychologists. Participants will be challenged to bring to critical reflection and dialogue issues addressing the contemporary practice of ministry, the integration of their fields of study and their own personal praxis. This course is required of all dual degree students except M.A. /M.S.W. student and is an elective for M.A. and M.Ed. students.

Maryanne Confoy, RSC

TH 628.01 Sacramental/Liturgical Theology (Summer: 2)

This course focuses on the theology of Christian liturgy. Students will pay special attention to issues of culture/inculturation, initiation into the ecclesial community, the Eucharist and the liturgical year.

John Baldovin, S.J.

TH 648.01 Justice in the 21st Century: The Challenge for Religious Educators and Pastoral Ministers (Summer: 2)

This course will present and analyze the different elements that need to come together to be able to do justice. We will study the Biblical understanding of justice, the option for the poor and the oppressed, the difference between justice and equality, the capabilities approach to justice. The goal of the course is to enable the students to clarify their own understanding of justice.

Ada Maria Isasi-Diaz

TH 649.01 Christians Understanding Islam: An Imperative for Religious Educators and Pastoral Ministers (Summer: 2)

It is impossible for a short course to cover everything one needs to know about another faith community, so we will aim to provide students with basic insights into the faith and practice of Muslims—scripture, law, community structures, theology, worship and spirituality. On the basis of these insights students will gradually be able later to expand their detailed knowledge of particular elements as necessary. These insights, of course, shed light on the present world situation. However, an historical approach will help make clear that Islam is not monolithic, but rather that there have been and still are many ways of being Muslim. The second major element of the course seeks to identify important issues for catechetics and pastoral ministry arising out of the encounter with Muslim faith. Does the religious education we offer Christian students enable them to engage fruitfully with a multireligious contexts and especially with Muslims?

Daniel Madigan, S.J.

TH 707.01 Psychological Foundations of Pastoral Care (Summer: 2)

A consideration of several contemporary models of personality and human development will assist students in the practice of pastoral counseling. Case studies and concrete situations help to illustrate such models as object relations and humanistic and psychodynamic theories. Course themes include normality and integration, personality growth and sexuality, play and the irrational, and the links between psychological and theological experiences.

Michael St. Clair

TH 739.01 Christology in a Postmodern World (Summer: 2)

In a world which has moved to postmodern ideologies and institutions, the focus in Christology has shifted to relevance. What theology and preaching of Jesus as the Christ is meaningful in our time? This course will study both the traditional roots of Christology and its present-day revisions.

Bernard Cooke

TH 945.01 Hope Seeking Understanding: Eschatology for Today (Summer: 2)

The followers of Jesus of Nazareth are exhorted always to be ready to give an explanation to anyone who asks for a reason for the hope that is in us (1 Peter 3:15). This course considers just what human hope is, and it explores that hope, in view of the range and intensity of pressures with which we contemporary human persons contend, considers the various shifts in meaning that “eschatology” has undergone during this century, particularly as affected by changes in culture, and reflects on the grounds for the probability of the fulfillment of Christian hope. The course will consider biblical, anthropological, cosmological, and Christian roots of a theology of hope. The basic orienting question throughout the course is the following: What has hope to do, not only with suffering and death, but also with the consummation (recapitulation) of all things in Christ? In other words, how is the totality of the absolute meaning of human lives, individually and throughout history, to be caught up into the fulfillment of the promise of eternal life?

Explanation of Course Numbers

The Boston College Course Number consists of seven characters. The first two characters (alphabetic prefix, e.g., “MA”) indicate the department or program offering the course; the last two characters indicate the section number. The middle three characters indicate the level of the course. When listing courses the entire seven-character symbol must be used as well as the four digit INDEX number which appears to the left of the course. For example: 9999 MA333.01.

Meeting Days

The meeting days of each class are listed in this booklet as follows: M=Monday, T=Tuesday, W=Wednesday, TH=Thursday, F=Friday.

Level of Courses

Course levels are designated in this booklet as follows:
CORE—Courses fulfilling University Core requirements
ONE—Undergraduate electives
TWO—Undergraduate courses designed primarily for majors
THREE—Courses for undergraduate and graduate registration
GRAD—Courses for graduate registration

Meeting Times

The meeting times of each class are listed in this booklet. Unless otherwise stated, class periods are of either a 50 or 75 minute duration. Seventy-five minute periods are designated by an asterisk (*) after the meeting day and time (e.g., T TH 1:30*)

U-View Plus

TN3270 on the IBM or Macintosh

TN3270 is a software tool that allows your networked IBM or Macintosh to establish “terminal sessions” with IBM mainframe computers such as the Boston College UIS System or the QUEST system in order to access *U-View* or Quest.

To download TN3270, you will need your username and password. You may download this program from our download center at <http://www.bc.edu/software/applications/telnet/>.

To register for courses using UIS, start a TN3270 session by clicking through the following: **Start, Programs, Eaglenet, TN3270.**

The TN3270 program has been configured to open automatically to BC’s *University Information System* (UIS) screen. If a login window does not open up when you start the application, try “Choose Options” from the Setup menu. Type BCVMCMS.BC.EDU in the Default Host box and click on the OK button. The UIS Login screen will appear.

- Enter your username and password.
- To register for courses, type 2 for UIS. Choose 06 for U-View Your BC Records, 2 for Student Information, and then “R.”
- Enter the 4-digit index number at the left of the course (ex: 9749) or the 5-digit course code (ex: RL21504). Hit enter. If the course is available, you will be given the following options:

Done: To update your schedule and exit

Save: To update your schedule and continue

Back: To retrieve your schedule thus far

Choose one and type it on the line underneath your last course. If you have not finished registering for courses, be sure to “Save” often, so you do not lose your seat in any of your course selections.
- To log off from the registration screen, type “Done” and then follow the instructions on each subsequent screen. Exit the registration transaction completely and then reenter to ensure that you have registered successfully for all your courses.

Search Features

Use the “Browse Courses” screen to search for all (a) or open (o) sections of a course or to search by course title. From the registration screen, type “?” over the course to find open or all sections of that course or type “?” on a blank line and then the department abbreviation (ex: BI). Check course status to determine if it is open or restricted.

If you want a particular section, enter the number on the upper left hand side of the Browse Courses screen and then press enter. Type “R” to return to the registration screen without making a selection.

Problems/Error Messages

If any of the error messages listed below appear next to a course, then it is not available:

- **Corequisite:** You need to add the course’s corequisite to your schedule. The options for the corequisite are listed at the bottom left of the screen. Choose one and then type the index number on the next available line.
- **Course Closed:** There may be no seats left in the course or the department may be holding seats or sections of courses so they are unavailable during certain periods of registration.
- **Department Permission:** Some courses including all graduate courses may be available to undergraduates with department permission only.
- **Duplicate Course:** You may have listed two sections of the same course.
- **Invalid Index:** You have entered an incorrect index number. Search “Browse Courses” on-line or the printed *Schedule of Courses* for the correct number.
- **Restricted:** Courses may be restricted by school (e.g., For Education Only), by degree (e.g., For Doctoral Students Only), by major (e.g., For Economics Majors Only), or by class year (e.g., For Freshmen Only).
- **Time Conflict:** You have listed two courses that are scheduled at the same time or overlap a period of time.

You will not be able to add a course or save your schedule unless you resolve the problem or remove the course from your schedule.

U-View via Modem

Modem Setup

- In your communications package, set your modem speed to the speed rated for your modem. The other settings remain the same: 8 bits, no parity, hardware handshake, or flow control. Error correction should be turned off.

Logging On

- Use your communications software (e.g., Mac Terminal, ZTerm, Reflection, ProComm, YTerm) to dial the modem pool number: 1 617 552 2790. Use SPACES to separate the numbers.
- When asked for a host name, enter BCVMCMS.BC.EDU.
- Press <RETURN>. On the blank line under “Please enter a terminal id” prompt, type 1 for VT100, unless you know that your machine is otherwise.
- The BC screen will appear. Type your username on the “Enter your Username, Eagle Number...” prompt and press <RETURN>. (You can use any of the listed options.)
- Tab once and type your password on the Enter Your Password: prompt and press <RETURN>.
- You are now at the APPLICATION MENU screen of UIS. Select the application you wish to use (e.g., UIS, QUEST) and type its corresponding num-

ber on the SELECTION=> prompt and press <RETURN>. (For *U-View*, type 1 on the UIS system.)

- You are now at the System menu for UIS. Your options will vary. Type the number for *U-View* (or other service) on the ENTER SELECTION line and press <RETURN>.
- Select “R” to register.

Logging Off

- If you are using UIS mail, return to its main menu. Type L on the ENTER YOUR CHOICE line and press <RETURN>.
 - If you are using *U-View*, return to its main menu. Type L on the TYPE SELECTION HERE...> line and press <RETURN>.
 - The APPLICATION MENU screen will appear. Type L on the SELECTION=> line and press <RETURN>.
 - You are now at the BC screen. Type “Y” on the “Enter ‘Y’ to disconnect” prompt and press <RETURN>.
 - At the “Type ‘C’ Servername” prompt, type logf to disconnect.
- “C” option on *U-View Plus* (View Courses) can access both fall and spring courses.

U-Dial

- Call the Boston College Voice Response Unit at 617-552-8800. If you are calling outside the 617 area code, be sure to dial 1 + 617 before 552-8800.
- Enter your **Eagle Number** or your **Social Security number**.
- Enter your 5-digit **Personal Identification Number (PIN)**.
- Once you have accessed the voice response unit, the tape will list the main menu of transactions. (Review the selections below to be sure you understand the differences between transactions.) The system will then request that you choose one of the following transactions:

TO ADD A COURSE: If you wish to **add** a course, press **1** when prompted to do so. Then follow the instructions at each prompt until the add transaction is completed.

TO DROP A COURSE: If you wish to **drop** a course, press **2** when prompted to do so. Then follow the instructions at each prompt until the drop transaction is completed.

TO ADD AND DROP A COURSE: If you wish to **drop** one course and then **add** one course, press **3** when prompted to do so and follow the instructions at each prompt until the drop/add transaction is completed. This transaction will *not* complete the drop *unless* you successfully add one course in its place; therefore, you shouldn’t worry when the drop transaction appears not to have gone through. This transaction should be used if you are changing the corequisite for a course (a lab or a discussion group).

TO CHECK THE STATUS OF A COURSE: If you wish to check quickly to see if a particular course is **open**, press **4** when prompted to do so. Then follow the instructions to check the status of the course.

TO LIST COURSES: Press **5** to hear the courses you are currently registered for or to confirm your transaction(s).

TO END CALL: Press **9** to disconnect from the Voice Response Unit. Be sure to listen carefully to instructions as you proceed with any transaction. **If you make a mistake at any time, press * to start over.**

Once you are familiar with the system, you can bypass the recorded message by entering the information requested at the beginning of the prompt.

Problems/Error Messages

You may encounter a problem or receive an error message while using the voice response unit. The most probable messages/problems and solutions are listed as follows.

Problem/Message	Probable Solution
1. Can’t access system	Use a touch-tone phone not a rotary phone, or try from another phone. Your phone may be malfunctioning.
2. System not available	You’re calling outside the hours of 8:00 A.M. to 11:00 P.M. seven days a week. Please call during <i>U-Dial</i> hours. Another possibility is the system is experiencing unscheduled downtime. Please call back in 15 minutes.
3. Busy signal	The system’s incoming telephone lines are all in use. Try again later.
4. System does not answer	The Voice Response Unit is not functioning. Try again later.
5. Wrong ID	Check to make sure that you are inputting your Eagle or Social Security number correctly.
6. Wrong PIN	Check to make sure that you are inputting your PIN correctly.
7. Wrong index numbers	Check to make sure that you are inputting the correct 4-digit index number, not the course number (e.g., 9999 rather than EN999.09). Refer to the <i>Schedule of Courses</i> for index numbers.

8.

Time conflict message

Check the *Schedule of Courses* or the Course Status List available on *U-View Plus*. If there is still a problem, there may have been a time change. What is on the computer is correct since it is the most up-to-date.
9.

The course you want is:

a sixth course

Students in A&S, CSOM, and CSON who maintain a 3.00 GPA, may add a sixth course on-line (up to 20 credits) during the first week of classes.

restricted to a major or school

You must get the appropriate departmental approval to be allowed to override these restrictions.

closed or requires department

For these restrictions, see the department. If they issue an override, obtain the necessary stamp(s) and/or signature(s) and bring the approved form to **Lyons 103 by 4:30 P.M. on September 14.**

If the above does not resolve your problem or if you have a difficult problem, call 617-552-3300 during normal business hours, Monday-Friday 8:45 A.M. to 4:30 P.M.

Connecting to UIS via an Eaglenet Connection

TN3270 on the IBM

TN3270 is a software tool that allows your networked IBM to establish “terminal sessions” with IBM mainframe computers such as the Boston College UIS System or the QUEST system in order to access *U-View* or Quest.

Starting TN3270

Double-click on the TN3270 icon. It is located in the **PC/TCP Applications** window located in your Program Manager.

Logging on to UIS

- Once you have double-clicked on the TN3270 icon, you will see the **Open** dialog. If this is your first time using this program, the **Sessions Available:** box will be blank.
- NOTE: The programs TNVT and TN3270 use the same dialogs, so if you save a session in TNVT and then open TN3270, you will see it in the Sessions Available box as well.**
- Click** on the **Cancel** button. You will now see a blank screen. **Choose New...** from the **Session** menu at the top of your screen.
- You will now see the **New** dialog. Type **bcvmcms.bc.edu** in the **Host Name or IP Address:** box and click on the **Connect** button.
- You will see a message, *Trying to connect to bcvmcms.bc.edu* then *Entering 3270 mode* in the lower left corner of your screen. The BC screen will now appear. Follow the on-screen instructions.

If you do not know your username, consult your *Communications Directory*.

If you have forgotten your PIN (Personal Identification Number) or password, you must go to the O’Neill Computing Facility **in person** and present your valid Boston College ID. An authorized person will reset it for you.

Saving a Session

(“shortcuts” to connect to a host)

Boston College’s University Information System (UIS) is being used for this example. You can save any other session to any other host in the same way.

- Open** a connection to UIS or any other Host computer.
- Once you are through, log out of UIS as you normally do. **Choose Close** from the Session menu.
- You will now see the **TN3270** dialog asking you if you want to save this session. **Click** on Yes.
- You will now see the **Save As** dialog box. Type **UIS** or **bcvmcms** (matter of preference) in the **New Session Name** box. **Click** on the **Save** button.

Opening an Existing Session

(using “shortcuts”)

- Double-click** on the TN3270 icon if you are not logged in, or **choose Open** from the **Session** menu if TN3270 is already open. You must close a current session to open a new one.
- You will now see the **Open** dialog box. You should see UIS or bcvmcms (depending on what you named it) in the **Sessions Available:** box.
- Click** on the name to highlight and **click** on the **Connect** button. You should now see the BC screen.

Quitting TN3270

- Log out** of whatever system you are currently connected to.
- Choose Close** from the **Session** menu.
- Choose Exit** from the **File** menu. You will be asked if you want to save the session. If you have already saved a session document for UIS, or any other Host computer, **click** No.

Telnet Users

- Choose New...**from the **Session** menu at the top of your screen.
- You will now see the **New** dialog. Type **bcvmcms.bc.edu** in the **Host Name or IP Address:** box and click on the **Connect** button.

TN3270 on the Macintosh

TN3270 is a software tool that allows your networked Macintosh to establish “terminal sessions” with IBM mainframe computers such as the Boston College UIS or QUEST systems in order to access *U-View* or Quest.

Starting TN3270

- Double-click** on the TN3270 icon.

Logging on to UIS

- Choose *Open Connection* from the **File** menu.
- Type **BCVMCMS.BC.EDU** in the **Session name** box and click on the OK - button.
- The UIS Login screen will appear. Type your username and the <TAB> key. If you do not know your username, consult your *Communications Directory*. (Your username is on the last line of your personal information before the semicolon.)

Ex: USERJOE:USERJOE@HERMES.BC.EDU; USERJOE is the username.
- Type your password at the Password: prompt and press <RETURN/ENTER>.

If you have forgotten your PIN (Personal Identification Number) or password, you must go to the O’Neill Computing Facility **in person** and present your valid Boston College ID. An authorized person will reset it for you.

Final Exam Information

All courses have a scheduled exam time determined by the starting time of the course. This listing shows standard class meeting time exam assignments for undergraduate courses. In general, common exams are held at 4:00 P.M. If a course does not fit exactly into a module, it assumes the module corresponding to the closest class meeting time. For example, a class meeting T TH 11 is assigned module 10 (T TH 10:30*). In situations where the non-standard time falls **halfway** between two modules, use the module for the later time. For example, a class meeting M W F 9:30 is assigned module 03 (M W F 10).

All graduate courses meeting **once a week** and undergraduate courses that start at 4:00 P.M. or later and meet **once a week** will have final exams on the first regular class day that occurs during the exam week. All graduate courses meeting **more than once a week** and undergraduate courses that start at 4:00 P.M. or later and meet **more than once a week** will have final exams on the class day that is earliest in the calendar week. For example, the final exam for a T TH 4:00 P.M. class would be held Tuesday at 4:00 P.M. Exams will be held at the usual class meeting time and location unless otherwise posted on the exam schedule.

The meeting place for each exam will be posted in Lyons basement one week prior to the exam period. Exam information is also available on *U-View*.

If there is a storm during the examination period, there is the expectation that exams will be held as scheduled. In the very rare instance that the exam schedule is delayed or postponed due to inclement weather or other emergency situations, the first available of the following days will be used: the Sunday during the exam week, the afternoon of the last exam day, and the day after the last exam day. If rescheduling is necessary, announcements will be made on WBZ, WRKO, and WBMX, and on the Boston College INFO line (617-552-4636). For graduate and professional students, announcements concerning final exams will be made on the same radio stations and on 617-552-INFO. Students are responsible for attending final exams at the scheduled times. In addition, students should consider possible exam rescheduling when making travel plans at the end of the semester.

Students are expected to take no more than two final exams in any one day. If a student has three exams scheduled in one day and one of these is a common exam, it is the responsibility of the instructor holding the common exam to give a make-up exam. If a student has three regularly scheduled exams (this can happen if the student is taking a course that meets at 4:00 P.M. or later), the instructor teaching the course outside of the standard time blocks (8:00 A.M.-3:00 P.M.) should provide a make-up exam. In addition, if a student has a conflict between a common exam and a regularly scheduled late afternoon or evening course exam, the responsibility for a make-up lies with the instructor offering the common exam.

Massachusetts Medical Insurance

Commonwealth of Massachusetts Law has mandated that all students, graduate and undergraduate, taking at least 75 percent of full-time credit hours must be covered by medical insurance providing a specified minimum coverage. Determination of whether or not a graduate student is required to enroll in the insurance program is based strictly on the actual number of credits for which the student is registered each semester. Graduate students in Advancing Studies who register for 9 or more credits are considered 75 percent of full-time. Students in Graduate Arts and Sciences, Education, Nursing, Management, and Social Work who register for 7 or more credits are considered 75 percent of full-time.

Boston College will offer all students—graduate and undergraduate—the option of participating in the plan offered at the University or submitting a waiver if they have comparable insurance. The details of the University’s Insurance plan are available on the *U-View* system or on the web at <http://agora.bc.edu/>. Students may waive the BC insurance plan by completing the electronic waiver form on *U-View* or on the web. Students under the age of 18 are required to submit a written waiver form with the signature of their parent/guardian. This form is available for download on the web at <http://www.bc.edu/studentservices/>. The waiver must be completed and submitted by October 3, 2005, for the fall semester and by February 6, 2006, for spring semester. Students who do not complete a waiver by the due dates will be enrolled and billed for the BC plan.

Students registering for less than 75 percent of a full-time course load or students who initially register as full-time and then drop below 75 percent who wish to enroll in the insurance plan must be in a degree-granting program. Such students enroll directly with the insurance company using the part-time enrollment form available at the Boston College Health Services Department in Cushing Hall or on the web at <http://www.bc.edu/studentservices/>. The coverage becomes effective upon receipt of the application and payment by the insurer if received after the due dates above.

Note: All doctoral students as well as international students at Boston College will automatically be charged for the Boston College Medical Insurance regardless of credit hours unless a waiver is submitted showing comparable insurance.

Withdrawals and Refunds

Fees are not refundable.

Tuition is cancelled subject to the following conditions:

- Notice of withdrawal must be made in writing to the Dean of the student’s school.
- The date of receipt of written notice of withdrawal by the Dean’s Office determines the amount of tuition cancelled.

The cancellation schedule as published in the University catalog will apply to students withdrawing voluntarily, as well as to students who are dismissed from the University for academic or disciplinary reasons.
